

Peak 7 Adventures Refund Policy

Refunds will be issued if a trip is canceled up to two weeks prior to the trip, minus the deposit. If a trip is cancelled within two weeks of the trip start date credit will be available as per our credit policy.

Peak 7 Adventures Credit Policy

Trip credit will only be available for payments paid above our booking minimums. After booking minimum* payments are met, then half credit will be available for any payments made for participants that did not attend.

If a trip is cancelled less than 24 hours before the start of the trip no credit will be available. If an organization brings less than our trip minimum** it may result in a cancelled trip.

If the credit is not used the following year, the amount will be forfeited. Any credit will not be refunded.

In the event that Peak 7 must cancel the trip, the client may have the option to reschedule for the present season or if rescheduling is not possible, then a refund of all monies paid or full credit for next year will be available.

Peak 7 Adventures Refund Policy for Individuals

A refund, minus the deposit (\$100 or 20% of the trip cost, whichever is more), will be issued if a participant gives Peak 7 two weeks prior notice they will be unable to attend the trip. If an individual cancels within 2 weeks of the trip there will be no refund given. In the event that Peak 7 must cancel the trip a full refund will be available.
